Subject: RE: Case Number 16-23, Proposal for Design Review and Development by Valor Development, LLC, Square 1499, Lots 802, 803, 806, 807

To whom it may concern,

I am a resident in American University Park and would like to express my opposition to the project specified in the subject line as currently proposed by Valor Development LLC. The project is disproportionately large and dense for our neighborhood and not deserving of a zoning exemption. The road infrastructure in this neighborhood is insufficient for accomadating the large number of proposed residents and retail traffic.

Thank you for considering our community's opposition to this project.

Sincerely,

Eric Silla
