MEMORANDUM

TO: Sara Bardin
Director, Office of Zoning

FROM: Jim Sebastian
Associate Director 

DATE: June 29, 2017

SUBJECT: ZC Case No. 17-05 – 2100 2nd Street SW

DDOT reviewed the Applicant's additional submissions to the record (Exhibits 26 and 30) that provide responses to DDOT's Supplemental Report (Exhibit 22). DDOT finds that the Applicant has agreed to each of DDOT's requested conditions of approval. Accordingly, DDOT has no objection to the requested action.

DDOT notes the addition of "Refuge Area 1" to the public space along V Street and has no objection to this element. Final design of the refuge area will be determined during the public space permitting process. An eight (8) foot clear sidewalk, as shown, will be required to be maintained when the refuge area is deployed in order to facilitate pedestrian circulation.
