

Generally, the RA zones permit urban residential development and compatible institutional and semi-public buildings such as public schools. The RA-2 zone is intended for areas developed with predominately moderate-density residential. As a matter of right, the RA-2 zone permits a maximum building height of 50 feet, a maximum density of 1.8 FAR (2.16 with Inclusionary Zoning), and a maximum permitted lot occupancy of 60%.

The Petitioner also requested that Commission take emergency action, to adopt the map amendment, apparently in the belief that doing so would prevent the potential construction on the Property of a storage facility, which the ANC opposes. However, the OP Report indicated that a building permit authorizing the construction of such a facility on the Property has already been issued. **Pursuant to 11-A DCMR §§ 301.4 and 302.11, the right to construct and establish the approved storage facility vested as of permit issuance. The adoption of the map amendment, whether on an emergency or permanent basis, cannot prevent that.** Therefore, the Commission declined to take emergency action.

This public hearing will be conducted in accordance with the rulemaking case provisions of the Zoning Commission's Rules of Practice and Procedure, 11-Z DCMR Chapter 5.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points. The applicable time limits for oral testimony are described below. Written statements, in lieu of personal appearances or oral presentation, may be submitted for inclusion in the record.
