**RE: ZC Case No. 19-01
Applicant's Request for Postponement of Hearing**

Chairperson Hood and Honorable Members of the Commission:

On behalf of the Applicant Wesley Hawaii LLC (the "Applicant"), please consider this request to postpone the public hearing scheduled on July 18, 2019. The postponement is made at the request of Advisory Neighborhood Commission 5A (the "ANC").

During a recent meeting of the Fort Totten Civic Association, the community raised certain issues that need additional time to resolve. As a result, the ANC indicated that it would not vote on the Applicant's project during its regularly scheduled June 26, 2019 meeting, but, instead, will work with the Applicant to schedule a special meeting on this application later in the summer.¹ Thus, a postponement will allow the Applicant to address any issues raised by the community while providing the ANC an opportunity to formally consider and vote on the application before the Zoning Commission returns from its August recess.

Accordingly, the Applicant respectfully requests that the Commission postpone the public hearing on this application from July 18, 2019 to September 16, 2019 or September 19, 2019. Thank you for your attention to this matter and we look forward to presenting the application to the Zoning Commission in September.

Sincerely,
Cozen O'Connor

¹ The ANC does not have regularly scheduled meetings in July or August.
