RE: Petition of Masjid Muhammad, Inc. for Approval of
Zoning Map Amendment in Square 5790
Letter of Support

Dear Members of the Commission:

We are pleased to write this letter in support of the Petition of Masjid Muhammad, Inc. in connection with its application for a Zoning Map Amendment in Square 5790.

Masjid Muhammad, as an owner of several properties within Square 5790 (along Martin Luther King, Jr. Avenue, SE) has been a cornerstone in the Anacostia community for five decades, serving the community thru various community serving uses, including operating the Shabazz Bakery, Clara Muhammad School, helping to open and providing discounted rent for America's Islamic Heritage Museum, supporting free food programs and other community and cultural events at the properties.

Since 2018, the Masjid and its development partner, Banneker Ventures, has done significant outreach to the community, including knocking on hundreds of residents' doors, attending community meetings, presenting at Advisory Neighborhood Commission 8A meetings, and holding their own community meeting to discuss the map amendment application. As a result of their long-standing service in Anacostia, outreach in the community and proposed uses for the new building, the Fort Stanton Civic Association, fully and enthusiastically support the Masjid's application for a Map Amendment.

Since 1948, the Fort Stanton Civic Association, located at 2411 18th Street, SE, Washington, DC, which includes residents of Fort Stanton within Ward 8, has served the Fort Stanton and Ward 8 communities of Washington, DC.
