SUBJECT: Map Amendment/Letter of Support  
2313-2323 Martin Luther King Blvd. SE

Dear Mr. Karim:

The H Street Community Development Corporation (HSCDC) works primarily in Ward 5, 6, 7 and 8. Herein I am providing this letter of support regarding a Map Amendment before the DC Zoning Commission pertaining to 2313-2323 Martin Luther King Jr. Blvd SE. and at the request of Mr. Anwar Saleem of the H Street Main Street organization. The ownership organization has decided to redevelop these properties into a new community-serving asset to include retail, redeveloped museum, parking and apartments.

The HSCDC strongly support this Map Amendment along with the all property owners in the block that have a signed a letter of support. Strong economic development will further spur the improvement of this Anacostia neighborhood.

Sincerely,

Kenneth J. Brewer, Sr.  
Chief Executive Officer
