RE: Case 19-08

Dear Zoning Commissions;

We write to you, concerning the aforementioned matter, as the Board of Directors for the James Place Condominium at 1077 30th St., NW. We represent 66 owners of 72 units in this building that encompasses the space between 30th and 29th St. and is directly adjacent to 1051-1055 29th Street, NW and we are its closest neighbor.

We are fully supportive of this request for a zoning change from unzoned to MU-13 zone.

Sincerely,

James Place Board of Directors

Washington, DC 20007
