

Addendum to ZC 19-30

Chairman Anthony Hood and Commissioners:

ANC 5D would like to request that Square & Lot 4494 827 to case 19-30. Parcels in the Carver/Langston community were subdivided into lots but never included in any subdivision. Although theirs approximately 45 sq. ft. lot is too small for development, it would be appropriate to include it in the zoning change for clarity and consistency.

Respectfully,

Comm. Sydelle Moore, 5D05
Vice-Chair ANC 5D
