I am writing to express my concern with the proposed map amendment in the Carver Langston neighborhood that the Zoning Commission is considering on September 17th.

There is a serious affordable housing problem in the city and we should be aggressively looking at options to expand the supply of housing all across the city. This is especially the case in zones 1, 2 (where I live), and 3, but should not be limited to those specifically.

We should scoff at any plan that limits the supply of housing.

Sincerely,
James Bryan
