Subj.: Case 19-30 - Two Corrections to Application

December 11, 2019

Chairman Anthony J. Hood and Commissioners

Please revise the application as follows:

1. Add lots 0112 to 0118 in Square 4507 to the rezoning request from RA-2 to RF-4. They were approved by the ANC for rezoning but were erroneously left off of the original application.
2. Correct that the properties listed as Square 4506, Lot 38 (southern portion) and Lot 22 should be listed instead as Parcel 160, Lot 38 (southern portion) and Lot 22.

Thank you,

Comm. A. Sydelle Moore
Vice Chair, ANC 5D
