RE: 1333 M Street SE PUD Application; Zoning Commission Case 20-06

Dear Sirs:

I am grateful to the ANC6B commissioners who have given their time and energy in carefully reviewing the PUD for 1333 M St SE.

And I wholeheartedly support the project "Friends of Capitol Hill Adult Day Center" as a community benefit to be included in the subject PUD. My husband, Mac Hansbrough, died this past February with dementia. He and I would have benefitted so much from something like this.

Please only approve the PUD if it includes this community benefit.

Thank you for all you do to make DC such a great place to live.
