RE: Zoning Commission Case 20-06 - General Comments

Dear Chairman Hood and Commissioners:

We are long term Capitol Hill residents. We also are active seniors and members of the Capitol Hill Village.

In your consideration of the PUD application for 1333 M Street SE, we want to urge your support for a critical public benefit for the entire Capitol Hill community that is currently lacking. Specifically, we call your attention to a proposal set forth on August 17th by Capitol Hill Village to establish an Adult Day Center with Memory Care. We strongly believe that such a facility would ensure that our neighbors can successfully age in place and that the diversity of our community can be maintained.

We express our gratitude to the ANC6B commissioners who have given their time and energy in carefully reviewing the PUD application for 1333 M St SE and for their support of inclusion of this CHV proposal as a public benefit in this case.

We wholeheartedly support the project "Friends of Capitol Hill Adult Day Center" as described at Exhibit 33 in the record of this case and want to see it included as a community benefit in the subject PUD.

Please only approve the PUD application if it includes this community benefit.

Thank you for your consideration to this matter.

Sincerely,

Esther Bushman and Carl Mintz Jr.
