Howard University (“Howard”) filed an application (the “Application”) on November 4, 2022, requesting review and approval by the Zoning Commission for the District of Columbia (the “Commission”) of a special exception to permit interim university use of 1901-1911 5th Street, N.W. in Square, 3090, Lot 41 (“Property”) pursuant to Subtitle X § 101.10 of the Zoning Regulations (Title 11 of the District of Columbia Municipal Regulations, Zoning Regulations of 2016, to which all references are made unless otherwise specified).

The Property is a 16,600 square foot lot with frontage on 5th Street, N.W.) which is owned by Howard University. It is zoned Residential Flat (RF-1) and is located in the LeDroit Park neighborhood within the boundaries of Advisory Neighborhood Commission (“ANC”) 1B. The University’s central campus is located approximately one to one and one half blocks to the north west The Property is improved with three rowhouses which previously served as a day care center for employees of the nearby Howard University Hospital until it closed in 2010. The Property is proposed to be used by the University for administrative office space. The University has an urgent need to move its administrative offices out of their current location in the C.B. Powell Building located at 525 Bryant Street, N.W. due to a myriad of factors, including the pressing need to address existing infrastructural issues and to facilitate the development and construction of that property for a new Stem and Health Sciences Complex which will include the preservation of the center portion of the historic Freedman’s Hospital.
