Members of the Zoning Commission ,

As a DC resident I am writing to support the mixed use project Case No. 21-18, which offers artistic, social, and environmental benefits. This is a great and creative forward thinking cause that will strengthen residents' lives through deeply affordable housing, build a greater presence for the arts, and advance environmental responsibility.

I encourage the Zoning Commission to approve this request and support this project's potential to contribute to a healthy, inclusive, and thriving community.
