Members of the Zoning Commission ,

Hello, I have been going to the Dance Loft for years as a teacher and leader in the local AcroYoga community. The Dance Loft provides a space for us to practice and play, especially when the weather is bad and we can't play outdoors. They store our community mats and provide a safe space for us to practice.

The Dance Loft also provides a place for AcroYoga festivals where people from all across the East Coast come to gather for the weekend to refine our technique and expand our skills. These gatherings of out of towners also bring much substantial economic benefit to the broader community.

The Dance Loft has always been there for us and we will be there for them.

Please support the Dance Loft in their efforts to expand the arts and community. I recently moved to another state, but I frequently come back to DC to see my friends at the Dance Loft.

This project will give a huge boost to the community and I ask the Zoning Commission to please approve this project.

Thank you for all you do.
