All Members of the Zoning Commission Members of the Zoning Commission,

Dear members of the Zoning Commission,

I am writing to express my strong support for Dance Loft on 14's Planned Unit Development and Zoning Map Amendment located at 4618 14th Street, NW (Z.C. Case No. 21-18). The District needs to preserve arts institutions and add affordable housing, and this project does both and should be approved.

I have seen the plans for development and strongly believe this new building would be a marked improvement for the neighborhood and the city. Beyond that, it would create desperately needed new affordable housing in our community. It would be a true shame to see this great plan fall through.

Thank you for your consideration of this important matter.
