**Re:** Request for Extension – ZC Case No. 21-18

Chairman Hood,

On behalf of Friends of 14<sup>th</sup> Street, I am requesting a brief extension for the Party in Opposition to respond to the Applicant's post-hearing submission and additional submission made today and offer the following in support.

Friends of 14<sup>th</sup> Street is a large group of neighbors consisting of over 70 residents whose homes will be those most impacted by the proposed development. On May 26, 2022, the Applicant submitted its Post-hearing Statement and supplemented that Statement with an additional letter just today. A response to the detailed information contained in the four (4) separate documents comprising the Applicant's submission requires the coordination of many people all of whom work during the day. At this time, we have not been able to finalize a response and believe that an extension until June 14<sup>th</sup> would allow for a complete submission while not jeopardizing the July 14<sup>th</sup> decision date.

We reached out to counsel for the Applicant and sought their consent to this extension and have not received a response. Late on Friday, June 3<sup>rd</sup>, the Applicant had offered to meet in furtherance of possible negotiations and before we could respond, filed the letter submitted today.

Sincerely,

/s/ Edward L. Donohue for Friends of 14<sup>th</sup> Street
