I support the plans for 899 Maine Avenue, SW. because : Cities should be friendly to people, not cars. We need to improve traffic calming measures as well as infrastructure to protect pedestrians and cyclists. A walkable neighborhood makes a more pleasant experience for all residents.

These features of the plan are most important to me:: Grocery store, Improved and safer pedestrian/biking experience, Dedicated bike lanes, Green, sustainable development, Public art, 9th Street traffic calming and realignment
