I support the plans for 899 Maine Avenue, SW. because: : - An additional grocery store that provides competition with Safeway, which has some items priced much higher than other grocery stores, would be helpful to everyone in the community.

- More rental unit supply would go towards the demand to help slow rising rent prices.
- More people living in the area may lead to more amenities opening in the area for those that live here year round.
- 75 affordable units where there currently are 0.

These features of the plan are most important to me:: Grocery store, Improved and safer pedestrian/biking experience, Dedicated bike lanes, Public art
