I support the plans for 899 Maine Avenue, SW. because: : The Wharf has been such an amazing addition to DC, but it feels isolated and as though its back is turned on the rest of the city. Bringing more energy and density to the other side of Maine Ave will help activate the whole area and connect the Wharf to the surround neighborhoods.

These features of the plan are most important to me:: Grocery store, Improved and safer pedestrian/biking experience, 9th Street traffic calming and realignment
