I support the plans for 899 Maine Avenue, SW. because: : We need more grocery stores in the area! Adding bike lanes, and all other aspects will just tie the community in with the rest of DC and make it more accessible overall. Not sure why all of this wasn't done sooner considering how many residential buildings there are here!

These features of the plan are most important to me:: Grocery store, Improved and safer pedestrian/biking experience, Dedicated bike lanes, Green, sustainable development, Affordable housing, Public art, 9th Street traffic calming and realignment
