Hello,

It has come to my attention that developers are asking to change zoning regulations in the Southwest Waterfront area to allow for increased height and building density (ZC cases 22-06 and 22-11).

As a resident of the Southwest Waterfront area, I strongly oppose these changes to the existing zoning regulations. The proposed buildings will surround Jefferson Middle School and Jefferson Field. Schools and parks should not be surrounded by buildings! Students and plants need sunshine not shadow!

Sincerely,

Roberto Marino
