McDonald's Team,

Thank you for taking the time to make your presentation at the North Michigan Park Civic Association meeting on Wednesday, June 1, 2022. Based on responses I have received today; I believe you have accomplished your goal of satisfying the residents questions regarding the zoning change for the upgrade to McDonald's. I feel confident that the vote that the ANC Commissioners in 5A cast in the June meeting will be based on the responses from the North Michigan Park community. As you move through this process for the upgrade, I would like to invite you back to another meeting for progress reports.

If you have any questions or want to provide any additional information that I can share with the community, please let me know.

Regards,

Carmen Roberts-Williams
