Our family and young children live at 807 Delafield, on the same block as the McDonalds. We oppose a drive through strongly! There are already too many cars that use our block as a quick route to South Dakota and speed down above the speed limit. On this block there are numerous young children and families taking walks. Young kids ride bikes here and families walk dogs. It would create additional danger to have a drive through and increase traffic on our block. McDonald's does not need any extra profits at the expense of our community. Prohibit the drive through!
