Re: Case No. 22-22: Request for Public Hearing – Zoning Map Amendment- 1100 6th Street, NW (Square 449, Lot 64)

Dear Members of the Commission:

On July 28, 2022, the Zoning Commission set down the above-referenced case for a public hearing. As set forth in the application materials filed on May 6, 2022 by Preservation DC L&6, LLC (the “**Applicant**”), the above-referenced case is an application for a Zoning Map Amendment for the above-referenced property from the RA-2 Zone to the MU-8 Zone. As outlined in the application, the proposed Map Amendment is not inconsistent with the Comprehensive Plan, including the Generalized Policy Map and the Future Land Use Map.

Based on the application materials and the setdown report from the Office of Planning dated July 18, 2022, the Applicant respectfully requests that the Zoning Commission schedule a public hearing at its earliest convenience. The Applicant requests 15 minutes at the public hearing to present its case. The outline of witness testimony is attached as Exhibit A. Additionally, enclosed please find a check for \$3,250 which represents the hearing fee in this matter.

We look forward to the Commission’s consideration of this matter.

Respectfully Submitted,
