PETITION TO STOP THE STEAL OF PUBLIC LAND

*Don't Let Politicians Give Away Our Police and Fire Stations to Developers
Neighbors Want a Real Say in How To Use Our Public Land*

In the middle of an upsurge in crime and a budget crisis MAYOR BOWSER & Councilmembers BRIANNE NADEAU and BROOKE PINTO irresponsibly propose to tear down our police & fire stations at 17th and U/V Streets, destroy millions of dollars in these public buildings and give away 2 acres of public land (totaling \$32M+ dollars). It's a sweetheart deal for real estate developers to build an oversized **10 story, privately owned, Luxury Apartment Building on public land. **The police station and EMS may never return.****

ZONING HEARING IS JUNE 26

We the undersigned urge the DC Zoning Commission not to approve the proposed upzoning of this public land to MU-10 to allow a **10 story Luxury Apartment Building to be built on this public land. We want**

1. Transparent, data-driven, community-engaging planning for the site
2. All 2-acres at 17th & U/V remain in public control for Community uses
3. Any proposed redevelopment be lower in scale, consider **real impacts on nearby neighbors and protect public safety**
