A high-density rezoning of 1617 U St is desperately necessary. The city is in a housing crisis. This location is centrally located to mass transit and is highly walkable. If not here, where? The answer to this question is always "somewhere else" by a vocal minority of immediate neighbors of any new housing proposals. Please do not cave to their sound and fury. We need the housing more than they need to store their cars on public streets directly in front of their houses.

Signed,

John McTague
