Dear Members of the Commission:

In advance of the November 9, 2020 virtual public hearing on the above-referenced application, the Applicant hereby requests a waiver of the requirements to submit an affidavit of posting and affidavits of maintenance under Subtitle Z §§ 402.8–402.10 of the Zoning Regulations. The District of Columbia does not yet have remote notarization protocols in place in order to allow notarizations to be administered during the period of city-wide distancing measures and associated business disruptions related to the spread of COVID-19. As detailed in the Affirmation of Posting filed concurrently with this request, the Applicant has posted notice of the public hearing on the Property, as required, and the Applicant will continue to submit formal affirmations into the case record confirming that all posting and maintenance requirements have been met.

Sincerely,
