Dear D.C. Zoning Commission,

It is the intent of the Unity of Love Praise Temple to improve our community in any way possible. Especially when bringing in new business development in our area. We are in agreement with the ANC 8C Advisory Commission and the Comprehensive Plan Generalization Policy Map Neighborhood Commission Center as long as it is bringing new business and growth to our area.

We are not in agreement if it means giving up our property or parts of our land to secure new development and growth. Our church has been here since the early 1980's and we intent to be an important part of the Congress Heights S.E. area of Washington, D.C. Please let me know when the next available meeting takes place. I would love to attend the meeting with questions of my own.

Should you have any questions, feel free to contact Pastor Harry S. Jackson at (202) 368-0982.

Sincerely,

Pastor Harry S. Jackson
