

GOVERNMENT OF THE DISTRICT OF COLUMBIA
ADVISORY NEIGHBORHOOD COMMISSION 5D

Zoning Commission
441 4th St NW
Suite 200
Washington, DC 20001

November 27, 2019

Chairman Anthony Hood & Commissioners,

Advisory Neighborhood Commission (ANC) 5D respectfully requests that the Zoning Commission waive the requirement to provide a certified surveyor's plat of the subject property prepared by the Office of the Surveyor in its petition for a map amendment.

ANC5D is a government agency acting in the public interest on behalf of its constituents spanning four squares and more than 200 individual lots. The fees associated with the production of hundreds of surveys are prohibitively expensive.

In addition, ANC 5D has provided a detailed listing of the properties to be amended along with a map from the DC Office of Zoning website which is readily available to the general public.

Respectfully,

Comm. A. Sydelle Moore,
Advisory Neighborhood Commission, 5D05
