

CERTIFICATE OF NOTICE

I HEREBY CERTIFY that a copy of the Notice of Intent to File a Zoning Application for the 2020-2030 Campus Plan (“2020 Campus Plan”) for the University of the District of Columbia (the “Applicant”) was mailed to Advisory Neighborhood Commission (“ANC”) 3F and to the owners of all property within 200 feet of the campus plan boundaries. The notice was mailed on December 18, 2019 and indicated that the Applicant anticipated filing the 2020 Campus Plan in August of 2020.¹ In accordance with the ZC 11-02 condition, the Applicant hosted a Campus Master Plan kickoff meeting on February 18, 2020, six months in advance of the anticipated filing date. A copy of the notice is attached. Consistent with the University’s and the ANC’s preferred outreach process, the University initiated community outreach about the 2020 Campus Plan with its Community Advisory Committee and the affected civic associations and community organizations including, hosting in person (pre-pandemic) and virtual community meetings (post-pandemic). The University has presented to ANC3F and continued engagement is planned. The University has also met with and continues to meet with the Office of Planning, District Department of Transportation, and the District Department of Energy and the Environment.

¹ We believe that we have complied with the requirements set forth in the Zoning Regulations of the District of Columbia, 11 DCMR (Zoning), Subtitle Z, Section 302.7, even though the notice did not include the use, height, bulk, and other significant aspects of the proposal because, as shown in the 2020 Campus Plan, no new changes to the use, height, bulk, or other significant aspects of the Van Ness Campus are proposed.
