Dear Dan:

Thank you so much for talking with us and considering Noyes Elementary PTO as a beneficiary of your new development.

The mission of Noyes Elementary PTO is to:

- Increase community and parent involvement with Noyes Elementary School
- Fundraise in support of Noyes Elementary School priorities
- Organize parent volunteers

We know that the Hanover on Reed Development will bring a lot of changes to the neighborhood and likely bring more students to Noyes Elementary. We welcome Hanover's investment in Noyes Elementary School and the PTO stands ready to be a partner to help relay some of that support.

We plan to use your proposed funding for these specific items:

- | | |
|---|-----------------|
| A. Field Trips to the Maryland Science Center = | \$ 9,100 |
| B. iPads for student use 20x \$329 = | \$ 6,580 |
| C. Surface Pro 8 for student use 15 x \$1099 = | \$16,485 |
| D. Bike & Walk to School Promotion | <u>\$ 4,835</u> |
| TOTAL: \$ 37,000 | |

No goods or services are directly given to Hanover in exchange for your donation. Feel free to let us know if you have any questions. Thank you for your interest and support!
