2 (4:00 p.m.)

3 CHAIRPERSON HOOD: Good afternoon, ladies and  
4 gentlemen. We are convening and broadcasting this public hearing  
5 by videoconferencing. My name is Anthony Hood. Joining me this  
6 evening are Vice Chair Miller, Commissioners Wright, Stidham, and  
7 Imamura. We're also joined by the Office of Zoning staff, Ms.  
8 Sharon Schellin and Mr. Paul Young, who will be handling all of  
9 our virtual operations, as well as our Office of Zoning Legal  
10 Division, Ms. Hillary Lovick. I will ask all others to introduce  
11 themselves at the appropriate time.

12 Copies of today's virtual public hearing notice are  
13 available on the Office of Zoning's website. Please be advised  
14 that this proceeding is being recorded by a court reporter, and  
15 is also webcast live via Webex and YouTube Live. The video will  
16 be available on the Office of Zoning's website after the hearing.  
17 Accordingly, all those listening on Webex or by phone will be  
18 muted during the hearing, and only those who have signed up to  
19 participate or testify will be unmuted at the appropriate time.  
20 Please state your name before providing oral testimony on your  
21 presentation.

22 Oral presentations should be limited to a summary of  
23 your most important points. When you are finished speaking,  
24 please mute your audio so that your microphone is no longer  
25 picking up sound or background noise. If you experience

1 difficulty accessing Webex or with your telephone call-in, then  
2 please call our OZ Hotline number at 202-727-0789 to receive  
3 Webex log-in or call-in instructions or if you need assistance  
4 to sign up to testify. All persons planning to testify either  
5 in favor, opposition, or undeclared must sign up in advance and  
6 will be called by name. If you wish to file written testimony  
7 or additional supporting documents during the hearing, then  
8 please request that the submission be entered into the record and  
9 be prepared to describe it at the time of your testimony.

10                   The subject of this evening's hearing is Zoning  
11 Commission Case Number 24-19, D.C. Child and Family Services  
12 Agency, CFSA, Text Amendment to Subtitle B, Section 100.2. Again,  
13 today is May 1st, 2025. The hearing will be conducted in  
14 accordance with the provisions of 11-Z DCMR, Chapter 5, as  
15 follows: Preliminary matters; petition -- presentation by the  
16 petitioner -- in this case, I believe it's CFSA -- and then we  
17 will have report of other government agencies; report of the ANC;  
18 testimony of organizations and individuals, each -- testimony of  
19 organizations and individuals -- organizations, five minutes, and  
20 individuals, three minutes, respectively; then we will hear from  
21 those who are in support, opposition, and undeclared.

22                   While the Commission reserves the right to change the  
23 times limits for presentations, if necessary, it intends to  
24 adhere to the time limits as strictly as possible, and notes that  
25 no time shall be ceded. At this time, the Commission will

1 consider any preliminary matters. Ms. Schellin, do we have any  
2 preliminary matters?

3 MS. SCHELLIN: Just briefly to say, as you'll recall,  
4 the -- this was brought to us and asked to be taken up on an  
5 emergency basis, which the Commission did do January 30th, and  
6 so it was effective for 120 days or unless the Commission takes  
7 final action prior to that and does something different. Since  
8 then, the Notice of Proposed Rulemaking and the Emergency and  
9 Proposed Rulemaking was published in the D.C. Register, and so  
10 far no comments have been received to the Notice of Proposed  
11 Rulemaking for the Commission going into this hearing. We've got  
12 the OP report and so this case is ready to move forward. If the  
13 Commission decides to do so, they could proceed with final action  
14 this evening, since the proposed rulemaking has been published  
15 and referred to NCPC and the 30-day comment period has passed.  
16 Thank you.

17 CHAIRPERSON HOOD: Thank you, Ms. Schellin, for getting  
18 us ready. Let's bring up the Director.

19 MS. LOVICK: Excuse me. I just wanted to interject.  
20 Actually, there were some last minute comments that came into the  
21 record. So there were four comments in support that came into  
22 the record from group home organizations. Those came into the  
23 record both on the 29th and on the 30th of April. And then, in  
24 addition to that, there were three ANC letters in support that  
25 came into the record, and those -- one came into the record,

1 like, back on April 14th, but two came into the record recently,  
2 I think yesterday -- within the last two days. So I just wanted  
3 to let you know. But all of the comments that have come in are  
4 in support. Thank you.

5 CHAIRPERSON HOOD: Thank you. So, as I was saying,  
6 let's bring up the Director and the -- or the general counsel.  
7 And I also was going to make the comment of the additional  
8 submissions that we received. I appreciate all of those who --  
9 I really want to thank those who really -- the ANCs and those --  
10 God's Anointed Neighborhood, all those people who submitted,  
11 because I think this is a very delicate and serious issue, and  
12 these issues like this -- and I'll be frankly honest, I didn't  
13 expect to see any opposition. So, anyway, I'll just leave it at  
14 things at. I probably shouldn't have said that, but I never  
15 expected to see that in a situation like this. So, anyway, let's  
16 bring up the Director -- I think the Director, Director Trice,  
17 and I'll let you all introduce yourselves. You're all in the  
18 room together. Good afternoon. You may begin when you're ready.

19 MS. TORRES TRICE: Good afternoon. My name is Interim  
20 Director Tanya Torres Trice for D.C. Child and Family Services  
21 Agency. Here with me I have Desiree Minor, I have Nicola Gray  
22 and Marianna Abraham, all with CFSA. And, with that, if there  
23 are no -- if there's no opposition, I'll begin with my testimony.

24 CHAIRPERSON HOOD: Go right ahead.

25 MS. TRICE: Good afternoon, Commissioners. I am Tanya

1 Torres Trice, Interim Director of the D.C. Child and Family  
2 Services Agency. Joining me is Desiree Minor, our Facility  
3 Licensing and Relicensing Supervisor, who spearheaded this  
4 proposed amendment.

5 First, we extend our sincere gratitude to the Zoning  
6 Commission for your unanimous emergency approval for this vital  
7 text amendment, allowing CFSA to continue serving our older  
8 foster youth without interruption. We would also like to thank  
9 the Office of Planning, specifically, Maxine Brown-Roberts, for  
10 preparing a very comprehensive and thorough report and for the  
11 recommendation supporting our request for the text amendment.

12 CFSA requests an amendment to the definition of "Youth  
13 Residential Care Home", Section 100.2 of Subtitle B of the zoning  
14 regulations, to explicitly include foster children under the age  
15 of 21 within the definition of "child". CFSA is responsible for  
16 the care and placement of the District's foster children until  
17 they achieve permanency, leave care, or turn 21. We prioritize  
18 kinship and foster home placements, recognizing their crucial  
19 role in a child's well-being. Our comprehensive placement  
20 options also include group homes tailored for various needs, such  
21 as therapeutic support, pregnant and parenting teens, and youth  
22 with developmental delays.

23 The need for the zoning amendment became apparent in  
24 2023. Previously, the Department of Buildings, or DOB, issued  
25 letters permitting CFSA to license group homes from foster youth

1 up to age 21. However, in 2023, the DOB clarified that they  
2 could only issue these letters for facilities serving individuals  
3 under 18, citing the current zoning definition of Youth  
4 Residential Care Home. This discrepancy prevents CFSA from  
5 licensing essential group homes for foster youth over 18, despite  
6 the Youth Residential Facility Licensure Act explicitly allowing  
7 licensure up to age 21. Without DOB zoning approval, we cannot  
8 license these homes. Failure to amend the zoning definition will  
9 create a crucial shortage of placements for our older foster  
10 youth, a need that cannot be met through other housing options.

11 CFSA currently contracts with eight group home  
12 providers, all of whose contracts are expiring this year. While  
13 emergency regulations provide a temporary solution, allowing us  
14 to continue these contracts, only one has renewed, two are  
15 extended to August of 2025, and the remaining five will expire  
16 later this year. Our group homes are essential and are operating  
17 at close to a hundred percent capacity, underscoring their vital  
18 role in our placement rate. Losing these homes would displace  
19 49 vulnerable foster youth, which would disrupt their sense of  
20 stability and overall well-being, leading to further emotional  
21 and behavioral challenges, academic difficulties, and put them  
22 at a greater risk of negative outcomes.

23 And, in conclusion, the proposed text amendment is  
24 crucial to CFSA's ability to provide stable and supportive living  
25 arrangements for our older foster youth. By aligning the zoning

1 definitions of "child" with the Youth Residential Facility  
2 Licensure Act to include those under 21 in CFSA's care, we can  
3 address the urgent need for appropriate placement and prevent  
4 significant disruptions in the lives of young people. These  
5 changes reflect our unwavering commitment to the well-being and  
6 development of all foster children in our care. That concludes  
7 my testimony, and, with that, we will take questions you may have  
8 for us.

9 CHAIRPERSON HOOD: Thank you, Director Torres Trice.  
10 Let me just say this, Vice Chair Miller. My -- I don't know  
11 about anybody else's lines going in and out, so if it cuts off,  
12 just keep the hearing going. This is pretty straightforward.  
13 Let's -- let me go to -- let me ask -- before I do this, let me  
14 go to -- no, let me do this. Let me go to Commissioner Wright.  
15 You have any questions or comments?

16 COMMISSIONER WRIGHT: I do not. I think this is a very  
17 important and appropriate text amendment, and I think we should  
18 move forward with it, so I'm satisfied with the information that  
19 I have.

20 CHAIRPERSON HOOD: Okay. Commissioner Imamura,  
21 questions or comments?

22 COMMISSIONER IMAMURA: Thank you, Mr. Chairman. Yes.  
23 Thank you, Mr. Chairman. I'm in agreement with Commissioner  
24 Wright. This is something that's important that we need to take  
25 care of swiftly, and there's a exigent need here, so I'm prepared

1 to vote in support.

2 CHAIRPERSON HOOD: Okay. And Vice Chair Miller.

3 VICE CHAIR MILLER: Thank you, Mr. Chairman, and thank  
4 you to Director Torres Trice and Desiree Minor and your team for  
5 bringing this issue forward, which, I agree with my colleagues,  
6 needs to be addressed. I'm glad we did address it on an emergency  
7 basis earlier, and hopefully there will be no disruption in the  
8 provision of these services to the older youth in your care.  
9 Thank you.

10 CHAIRPERSON HOOD: Okay. Commissioner Stidham.

11 COMMISSIONER STIDHAM: I am also in agreement with the  
12 comments already made and prepared to move forward.

13 CHAIRPERSON HOOD: Okay. I don't have any comments as  
14 well. I agree with all of my colleagues. I don't want to jinx  
15 us and say that this is one of the easiest cases I have had,  
16 because the next one will be terrible, so -- I shouldn't say  
17 that, but I just have -- I just have to do it. But, anyway, I  
18 want to commend you all -- CFSA for all the work that you all do  
19 for the residents of the District of Columbia.

20 Let's see if we have -- so we do have some reports. As  
21 Ms. Lovick and Ms. Schellin had mentioned earlier, we do have  
22 some other reports, and all of them were favorable. Every last  
23 report that we have in this docket was favorable, as needed --  
24 as we know is needed for the city. Do we have any other government  
25 reports? Let me ask you that, Ms. Schellin. Do we have any

1 other -- other than what we already have in the record, and I  
2 can go through them, but there's no need. I think the record  
3 speaks for itself. Okay. Let me just keep going. All right.  
4 Do we have anyone here signed up here to testify in support,  
5 opposition, or undeclared, Ms. Schellin?

6 MS. SCHELLIN: Let me check, one second, if there's  
7 anybody. I think it was just the petitioner's team, but let me  
8 double-check. Director Trice and Ms. Minor; they were the only  
9 registrants. That's it.

10 CHAIRPERSON HOOD: Okay. With that, we have no one  
11 here to testify. We have a bundle of submissions in the record.

12 VICE CHAIR MILLER: Are we going to hear from the Office  
13 of Planning or no?

14 MS. SCHELLIN: Yeah, that was the only other person was  
15 the Office of Planning, Maxine Brown-Roberts.

16 CHAIRPERSON HOOD: Oh, it was going so good. I'm sorry,  
17 Ms. Roberts. Let me come back. I'm ready to roll with it. Ms.  
18 Roberts.

19 MS. SCHELLIN: Okay. Go ahead.

20 CHAIRPERSON HOOD: Thank you, Vice Chair.

21 MS. BROWN-ROBERTS: Good evening, Mr. Chairman and  
22 members of the Commissioner. And I will keep it short. We are  
23 supportive and -- of the proposal, and we recommend approval and  
24 stand on the record -- the OP report that is in the file. Thank  
25 you, Mr. Chairman.

1                   CHAIRPERSON HOOD: Thank you, Ms. Brown-Roberts. And  
2 definitely I do not -- never want to overlook you, and we  
3 appreciate the great support and all the work done in working  
4 with CFSA as well, so thank you. Any questions of the Office of  
5 Planning, anybody?

6                   (No response.)

7                   CHAIRPERSON HOOD: Okay. All right. So we don't have  
8 anyone here to testify, and thank everyone for all the work you  
9 put into it. Let me ask my colleagues -- I think this is pretty  
10 straightforward. Let's go ahead and I'll obtain a motion, if  
11 somebody would like to make one.

12                  COMMISSIONER IMAMURA: I'll make the motion.

13                  CHAIRPERSON HOOD: Sure.

14                  COMMISSIONER IMAMURA: I move that the Zoning  
15 Commission approve Zoning Case Number 24-19, D.C. Child and  
16 Family Services Agency, Text Amendment to Subtitle B, Section  
17 100.2.

18                  VICE CHAIR MILLER: I second that.

19                  CHAIRPERSON HOOD: Okay. It's been moved and properly  
20 seconded.

21                  VICE CHAIR MILLER: I just wanted to know, you -- I  
22 think you did mention the three ANCs, and Ms. Schellin did as  
23 well. I just -- I don't know if we said which ones they were.  
24 There was 5B, 7E, and 4D that each submitted letters of support.  
25 I just wanted to make sure the public knew that.

1 CHAIRPERSON HOOD: Well, Vice Chair, since you  
2 mentioned the ANCs, now you need to mention the rest of them that  
3 all submitted us a letter.

4 VICE CHAIR MILLER: I'm not sure -- yes, they all  
5 submitted a -- those three submitted a letter. I'm not aware of  
6 the fourth one, if you have a fourth one.

7 CHAIRPERSON HOOD: It's quite a few. That's why I was  
8 trying -- God's Anointed New Generation, which is called  
9 "G.A.N.G." --

10 VICE CHAIR MILLER: Oh, that's groups. Okay.

11 CHAIRPERSON HOOD: Yeah, which is called "G.A.N.G.".  
12 Because one thing we don't want to do is not let people know that  
13 people took time to submit a letter, especially in a situation  
14 like this, and we appreciate it. Let me also mention -- let me  
15 wait for my files to open up -- Exhibit 24. It's a letter in  
16 support. And my file has not opened up. Ms. Schellin, can you  
17 help me with who submitted that?

18 MS. LOVICK: It's Sasha Bruce.

19 CHAIRPERSON HOOD: That's Exhibit 22. 24. Is that  
20 Sasha Bruce too, 22 and 24?

21 MS. LOVICK: Oh, 24.

22 CHAIRPERSON HOOD: Well, we're going to call all their  
23 names out. The Vice Chair started this, so we're going to call  
24 everybody's name.

25 MS. LOVICK: Sorry, I don't -- I'll open it. Hold on.

1 I have that --

2 VICE CHAIR MILLER: I have them here, if you want me  
3 to.

4 MS. LOVICK: I have them too. It's 22 -- well, 22,  
5 Sasha Bruce; 24 is Maximum Quest Residential Care; 26 is God's  
6 Anointed New Generation; 27 is Umbrella Therapeutic Services.  
7 And there was also, I neglected to mention, a personal testimony  
8 from a gentlemen, who was a resident of a group home, named  
9 Kenneth Jenkins, and that's at Exhibit 23.

10 CHAIRPERSON HOOD: Thank you. And I will tell you,  
11 Mr. Jenkins' testimony really touched us. I'm sure when we read  
12 stuff like that, it really touches us. So I want to make sure  
13 that -- on the record that everybody knows we appreciate them  
14 taking time to submit a letter out of their busy schedules, so  
15 we really appreciate it. That's why I wanted to call their names  
16 out. All right. So we have moved and properly seconded. Any  
17 further discussion?

18 (No response.)

19 CHAIRPERSON HOOD: Not hearing any, Ms. Schellin, would  
20 you do a roll call vote please?

21 MS. SCHELLIN: Commissioner Imamura.

22 COMMISSIONER IMAMURA: Yes.

23 MS. SCHELLIN: Commissioner Miller.

24 VICE CHAIR MILLER: Yes.

25 MS. SCHELLIN: Commissioner Hood.

1 CHAIRPERSON HOOD: Yes.

2 MS. SCHELLIN: Commissioner Wright.

3 COMMISSIONER WRIGHT: Yes.

4 MS. SCHELLIN: Commissioner Stidham.

5 COMMISSIONER STIDHAM: Yes.

6 MS. SCHELLIN: The vote is five to zero to zero to  
7 approve final action in Zoning Commission Case Number 24-19.

8 CHAIRPERSON HOOD: Ms. Schellin, do we have anything  
9 else before us on this case?

10 MS. SCHELLIN: No, sir.

11 CHAIRPERSON HOOD: Okay. Before I close this case out,  
12 the Zoning Commission will meet again on May the 8th at -- for  
13 our regular monthly meeting, which is May 8th on these same  
14 platforms at four p.m. Again, Director Torres Trice and to the  
15 team, thank you for all the work you do for the District of  
16 Columbia. Keep doing the great work. Thank you. All right.  
17 With that -- with that, this hearing is adjourned. Good night --  
18 good afternoon, everyone.

19 (Whereupon, the above-entitled hearing was adjourned  
20 at 4:18 p.m.)
