3 COMMISSIONER PARSONS: Good evening, ladies and  
4 gentlemen. Those who have been here before realize that it  
5 takes three of us to make a quorum. Unfortunately this  
6 evening, it appears as though that isn't going to be possible.  
7 So we're going to have to postpone Case 98-11 and we've chosen  
8 a date as soon as we could and that is the 29th of March.  
9 That would be a week from this Monday.

10 And we hope you would be able to join us at that  
11 time at 7:00 in this room. If there's anything we had to do  
12 in a preliminary way, Mr. Bastida?

13 MR. BASTIDA: We have the option, David, of  
14 posting the only thing that it would be in a preliminary  
15 matter is to get from Mr. Colby an affirmation of the  
16 maintenance of the posting.

17 COMMISSIONER PARSONS: Okay, well I guess we  
18 better reserve that until we have a quorum. Thank you for  
19 coming, we apologize and it's just one of those unfortunate  
20 things. Thank you so much. Goodbye.
