CHAIRPERSON JORDAN: Good morning. We will please come to order. Today's date is June 23, 2015 and we're located at the Jerrily R. Kress Memorial Hearing Room at 441 4th Street, NW, and we're here for the meeting of the Board of Zoning Adjustment of the District of Columbia. My name is Lloyd Jordan, Chairperson. To my right is Jeffrey Hinkle, a Member of the Board. To my left is Vice Chair Marnique Heath. To her left is Mike Turnbull, a Member of the Zoning Commission sitting in as a Member of the Board of Zoning Adjustment.

Please be advised that today's proceedings are being Webcast live and also being recorded by a court reporter. Therefore, I'm going to ask you to refrain from any disruptive noises here in the room. It's a good time to take a look at what might ring, buzz, or what have you, because invariably, it'll happen, then I'm going to give you this look. So take a look at any devices that you may have.

If you're going to testify, and by testify, meaning, are you going to make any statements to the Board, read a letter, or present any evidence to the Board, prior to you doing that, I'm going to need to do two things. If you're going to testify or address the Board in any manner, i.e., come to this table and take a seat, I need you to do two things.

Prior to taking a seat at this table, prior to taking a seat at this table, I'm going to need you to give witness cards to the court reporter. So each person who's going to testify needs to complete two witness cards per person. That's two witness cards per person and prior to taking a seat, please give those to the court reporter who's seated to my right.

The second thing I'm going to need you to do is to now stand and be sworn by Mr. Moy, Secretary to the Board.

MR. MOY: Good morning.

(Witnesses sworn)

MR. MOY: Ladies and gentlemen, you may considered yourselves under oath.

CHAIRPERSON JORDAN: Very good. As you know, we don't necessarily take the cases in order on the docket, but we take them in a way that we think is advantageous to move the docket along, so that's kind of how we proceed. If you're not familiar with how we proceed here at the Board, there should be a couple of documents back to the wall to my left by the door, which will talk about our policies and processes, so feel free to take a moment to go back and get those things and read it, okay?

Mr. Moy, any announcements?

MR. MOY: Yes, I do, Mr. Chairman. Good morning, and

good morning to the Members of the Board.

CHAIRPERSON JORDAN: Wait a minute. I don't even think I know of one, but it sounds like you have a lot more. Very good.

MR. MOY: Well, it's not a great deal, but this is for the record, of course.

CHAIRPERSON JORDAN: Okay.

MR. MOY: Concerning three cases that were on the docket for today's docket. First is Application Number 18979 of Adal. At the request of the Applicant for postponement and is rescheduled to September 22, 2015. The second application is 19010 of Mitchell that was on the expedited review calendar. At the request of the Applicant for postponement, it has been rescheduled to July 14th. And finally, Application Number 19013, this is the application of the Holy See, which has been withdrawn by the Applicant.

And that completes the -- my statement, Mr. Chairman.

CHAIRPERSON JORDAN: Very good. Okay. Then let's start with the meeting cases, and if you will call the -- that case is gone, 12 please.

MR. MOY: Okay. Both these following cases are in expedited review calendar. The first is Application Number 19012 of Jeffrey Fine.

CHAIRPERSON JORDAN: All right. Is the Board ready to

deliberate on 19012? All right. This matter's on for our expedited meeting that there's no hearing required and that they believe as a matter of the filings that they should be granted the relief requested. There's been no objections filed by anyone in this matter.

We have the Office of Planning report and we have the ANC report, and there's nine letters of support from neighbors. I think the file supports the relief requested, so I would move that the Board grant the requested relief in 19012.

VICE-CHAIRPERSON HEATH: Second.

CHAIRPERSON JORDAN: Motion made and second. Any further discussion? Seeing none, all those in favor, signify by saying aye.

(Chorus of ayes)

CHAIRPERSON JORDAN: Those opposed, nay. The motion carries. Mr. Moy?

MR. MOY: The staff would record the vote as 4-0. This is on the motion of Chairman Jordan to approve the request for relief from the Applicant. Also in support, Vice Chairperson Heath, or rather, seconded the motion. Also in support, Mr. Turnbull and Mr. Hinkle, Board seat vacant. Motion carries, sir.

CHAIRPERSON JORDAN: All right. Thank you. Summary order.

MR. MOY: Thank you.

CHAIRPERSON JORDAN: Our next meeting case, please.

MR. MOY: That would be Application Number 19015 of Richard Barxton.

CHAIRPERSON JORDAN: Then where do we go? 22 maybe. Let me take a look. All right. So we have before us 19015. We don't have the ANC report, do we? Okay. But notice was sent to the ANC. I don't see any reason -- anything in the file why the application should not be granted. Anyone have a concern about 19015? Okay. With that then, I would move that we grant the relief in Case 19015.

COMMISSIONER TURNBULL: Second.

CHAIRPERSON JORDAN: Motion made and second. Any additional discussion? All those in favor, aye.

(Chorus of ayes)

CHAIRPERSON JORDAN: Those opposed, nay. The motion carries. Mr. Moy?

MR. MOY: Staff would record the vote as 4-0. That's on the motion of Chairman Jordan to approve the request for relief. Second the motion, Mr. Turnbull. Also in support Vice Chairperson Heath and Mr. Hinkle. Board seat vacant. Motion carries, 4-0, sir.

CHAIRPERSON JORDAN: 22, please. We're moving into the hearing cases.

CHAIRPERSON JORDAN: Thank you for reminding me.
Summary order.

MR. MOY: Okay.

CHAIRPERSON JORDAN: I saw that look.

MR. MOY: You saw that look.

CHAIRPERSON JORDAN: It's like, he didn't say summary
order. I was testing you, Mr. Moy.

MR. MOY: I realized that.
