Production, Distribution, and Repair

This category defines areas characterized by manufacturing, warehousing, wholesale and distribution centers, transportation services, food services, printers and publishers, tourism support services, and commercial, municipal, and utility activities which may require substantial buffering from noise-, air pollution- and light-sensitive uses such as housing. This category is also used to denote railroad rights-of-way, switching and maintenance yards, bus garages, and similar uses related to the movement of freight, such as truck terminals.
