Re: 320 Florida Avenue N.E., improvement of adjacent District-owned parcel

Dear Ms. Bardin:

On January 14, 2015, at a duly noticed, regularly scheduled monthly meeting of ANC 6C, with a quorum of 5 out of 6 commissioners and the public present, the above-mentioned item came before us.

After hearing a presentation of this expected Level-2 Development PUD, the commissioners voted unanimously to support in principle planned improvement of the adjacent District-owned parcel of land. The developers plan to make this parcel public space, create green space, provide lighting, benches, and in other ways improve the pedestrian experience. The commissioners commend the developers for proposing this public amenity.

Thank you for giving great weight to the recommendations of ANC 6C.

On behalf of ANC 6C,

Karen Wirt

ANC 6C chair
