Under the terms of the Agreement, you are required to use DOES as the first source to fill all new jobs created as a result of Project: Residence at Hayes. In addition, at least 51% of the newly created jobs must be filled by D.C. residents. Further, District residents registered in programs approved by the District of Columbia Apprenticeship Council shall work 35% of all apprenticeship hours worked in connection with the Project.

You should post your job vacancies to the Department of Employment Services' Virtual One-Stop (VOS) at www.dcnetworks.org. Please contact DeCarlo Washington at (202) 698-5772 to receive assistance with identifying qualified District residents for placement.

The First Source Program has implemented an electronic compliance database which will provide a more efficient way for employers to enter and track their monthly First Source data. JUSTIFICATION SHEET: Please provide a detailed explanation of why the Employer will not have any new hires on the Project.

The "employer" Deanwood Hills, LLC is a joint venture formed between Pennrose Properties, LLC and The Warrenton Group, LLC, to develop The Residences at Hayes Project located at 5201 Hayes Street NE, Washington DC 20019. Deanwood Hills LLC does not have any employees and the entity itself will not be adding any new jobs for this project. Current employees of the respective joint venture partners who will be actively involved with this project are listed on the preceding page.

The project will result in the creation of new jobs during the construction phase. The project's General Contractor will be required to enter into a First Source Employment Agreement with DOES to ensure that District residents have the opportunity to be hired for new construction jobs created as a result of the project, according to the terms of the agreement.

New permanent jobs will also be created for the operations and management of the development, including maintenance, office, leasing and supportive service positions. These positions would be hired by Pennrose Management Company, which would enter into a First Source Agreement if required.
