Re: Sursum Corda Redevelopment

Dear Mr. Duren:

The District of Columbia Housing Authority (DCHA) is supportive of your efforts to redevelop the Sursum Corda Cooperative. As an adjacent land owner, DCHA sees this redevelopment as an important opportunity to provide improved affordable housing in the growing NoMA Neighborhood.

DCHA understands and supports the increase in height and density, which is consistent with the Comprehensive Plan, in order to meet the needs of the current community and the city's housing needs. Submitting the Planned Unit Development (PUD) Stage I Application to the DC Office of Planning and the Zoning Commission is an achievement. DCHA looks forward to the continued partnership between DCHA and the Cooperative on the overall redevelopment of NW One/Temple Courts.

Thank you for this opportunity to comment and provide support.

Sincerely,
