Sir or Madam,

It is my pleasure to support Washington Business Group's Wheeler Renaissance mix-use development project on Wheeler Road in Congress Heights, Ward 8.

Washington Business Group has been making a positive difference in our community; first by becoming a business member of Ward 8 and participating in community meetings and workshops, and secondly by making decisions that directly affects our Ward 8 neighbors in a very positive way.

As evidenced by the quality of their company headquarters which is located at 2759 Martin Luther King Jr. Ave in Southeast Washington DC, WBG has clearly shown the ability to complete projects of the highest quality. WBG's commitment to the revitalization of our community is the kind of excellence and investment that clearly defines their capability of revitalizing our community.

The Wheeler Renaissance Project will present an opportunity for home ownership and will create employment and economic opportunities for Ward 8 residents.

It is my belief that the Wheeler Renaissance Project will be a catalyst for this area and will revitalize the Wheeler Road section of Congress Heights.

I would like to thank Washington Business Group for their commitment to the community and to the people of Ward 8.

Sincerely,
