Sir or Madam,

It is my pleasure to strongly support Washington Business Group's initiative of the Wheeler Renaissance mix-use development project in Congress Heights, Ward 8. Washington Business Group (WBG), headquartered in Ward 8 is a real estate development service firm that has repeatedly demonstrated their ability to complete projects of the highest quality, on-budget and on-time. WBG symbolizes the kind of excellence and community investment that clearly defines their capability of revitalizing urban communities.

The Wheeler Renaissance project encourages home ownership and meets the ward's need by providing value and economic growth for the community. Additionally, this multi-million dollar project will create employment opportunities for Ward 8 and District residents.

The Wheeler Renaissance Project will certainly be a signature project in Congress Heights for Ward 8 and I am confident that the Washington Business Group will deliver something unique and world class for this thriving community.

On behalf of the community, I thank Washington Business Group for their service and dedication to Ward 8 and wish all the success on this project and beyond.

Sincerely,

A handwritten signature in cursive script that reads "Marion Barry".
