FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 08-08 (3910 Georgia Avenue Associates, LP I and II – Consolidated Planned Unit Development at 3910-3912 Georgia Avenue, N.W. – Square 2906, Lots 848 and 849)

THIS CASE IS OF INTEREST TO ANC 4C:

On April 9, 2008, the Office of Zoning received an application from 3910 Georgia Avenue Associates Limited Partnerships I and II (“Applicant”) on the behalf of the District of Columbia, owner of 3910-3912 Georgia Avenue, N.W. (Square 2906, Lots 848 and 849). The Applicant is requesting consolidated review and approval of a planned unit development (“PUD”) on the subject property. The Office of Planning provided its report on April 9, 2008, and the case was set down for hearing on April 14, 2008. The Applicant provided its prehearing statement as part of its application on April 9, 2008.

The property that is the subject of this application consists of Lots 848 and 849 in Square 2906 (the "Subject Property"). The Subject Property has a combined land area of approximately 31,000 square feet of land area, is zoned C-3-A and is located within the Georgia Avenue Commercial Overlay District (“GA”). Square 2906 is located in the northwest quadrant of the District, and is bounded by Shepherd Street on the north, Georgia Avenue on the east, Randolph Street on the south and Kansas Avenue on the west. The Subject Property is located along Georgia Avenue and a fifteen foot (15 ft.) wide public alley is located adjacent to the Subject Property to the north and to the west.

The Applicant proposes to construct a mixed-use development consisting of ground floor medical clinic and associated retail and affordable and market-rate dwelling units. The new development will contain approximately 141,486 square feet of gross floor area, with an overall floor area ratio (“FAR”) of 4.7 and a maximum building height of 78 feet. Approximately 113,251 square feet will be devoted to residential uses comprising 130 dwelling units, of which forty percent (48%) (or 62 dwelling units) will be dedicated as affordable dwelling units. Approximately 28,235 square feet will be devoted to medical service and retail uses. The project includes 120 off-street parking spaces.

The C-3-A District is designed to accommodate a business/employment area with substantial amounts of employment, housing, and mixed uses. The Georgia Avenue Commercial Overlay District is intended to stabilize the area, encourage redevelopment of the neighborhood commercial corridor and improve the pedestrian experience along the street. The GA/C-3-A District permits a maximum height of seventy feet and a maximum FAR of 4.5, and a maximum lot occupancy of 75%. Under Chapter 24, the guideline for a PUD in the C-3-A District provides a limit of ninety feet for height and a limit of 4.5 FAR. The Zoning Commission also has under Chapter 24 the authority, consistent with the purpose and standards for the PUD, to allow an increase of not more than 5% in FAR above the maximum for the underlying zone district.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points.
